

## **Dave Byrd**

Vice President and General Manager,  
Healthcare Solutions

Dave Byrd serves as vice president and general manager, healthcare solutions, for Diebold, Incorporated. Byrd, who joined Diebold in January 1999, brings more than 20 years of leadership experience to the healthcare marketplace. At Diebold, he has served as a controller for the North America sales and service organization. In addition, he managed a Diebold subsidiary leading sales, marketing, service, product development, compliance, government relations and communications efforts. A proven leader in complex business transactions, Byrd brings a broad mix of operational and financial experience.

Prior to joining Diebold, he served in financial leadership roles for 11 years with Electronic Data Systems (EDS) in Plano, Texas. He holds a bachelor's degree in business administration and a master's degree in management information systems from the University of Texas in Dallas. Byrd also holds a certified public accountant (CPA) certificate.
